

Brightening the Border Queen

APPLICANT:_____

The purpose of this program is to provide assistance to home and business owners in the City of Caldwell to enable them to repair the exterior of their homes or businesses in an attempt to alleviate deteriorating housing and building conditions within the City.

Property owners interested in receiving assistance to paint the exterior of their home or businesses must complete the Brightening the Border Queen application. Please turn it and the required attachments in to the City Office at 14 W Central, Caldwell, KS 67022. Applications are available in the office.

Each application submitted to the City will be reviewed. Brightening the Border Queen is operated on a first come, first serve basis and gives priority to structures, residential and commercial, in the greatest need of paint. The City reserves the right to decline consideration of any and all applications if eligibility requirements are not met or if funding is not available within a calendar year. Declined applications may be kept on file and considered the following calendar year.

Once an application is approved, the applicant will be notified and a "before" picture of the structure will be taken by the City. The applicant will be provided a list of approved paint suppliers and given 60 days to paint the exterior of the structure with an approved paint color. Applicants are encouraged to buy local. Once the painting is complete, the applicant may bring in an original itemized receipt and the City will reimburse up to \$500 for paint and necessary supplies. When completed, an "after" photo of the completed project will be captured.
